

PROFESSIONAL SUMMARY

Experienced production professional with a strong background in fashion editorials, advertising campaigns, commercial photography, and event production. With nearly a decade in the industry, I have worked extensively in creative production, talent representation, and agency management. Currently leading Syncretism Group, a photography agency that bridges art, technology, and culture. Previously worked at Society MGMT, where I facilitated high-profile productions and talent collaborations.

Notables Clients: Vogue Singapore, Cero Magazine, Machete, Numero Magazine

EXPERIENCE

Mar 2024 - Present

Syncretism Group | Founder | New York, NY

Manage and represent photographers and visual artists, overseeing creative direction and brand partnerships. Produce and coordinate high-end fashion and commercial campaigns from pre-production to final execution. Develop client relationships, securing collaborations with global brands and publications.

Jan 2023 - April 2024

Society MGMT | Creative Agent/Head of Production | New York, NY

Managed productions for major fashion editorials, advertising campaigns, and commercial shoots. Coordinated with clients, brands, and creative teams to execute high-level photography projects. Negotiated contracts and oversaw logistics for talent and production teams.

May 2019 - Jun 2023

Trigram Studio | Producer | New York, NY

Led a photo and video production company, specializing in artist-focused productions. Managed all aspects of production setup, including logistics, budgeting, and creative coordination. Collaborated with photographers, filmmakers, and visual artists to bring projects to life. Facilitated high-quality shoots, ensuring seamless execution from pre-production to final delivery.

Jun 2016 - Jun 2020

Khoman Room | CoFounder/Designer | New York, NY

Led creative direction, overseeing apparel design, photography, editorials, and digital marketing assets. Designed visual assets for apparel, lookbooks, and marketing campaigns. Managed production, coordinating with manufacturers for sample development and production. Developed business relationships with buyers, manufacturers, influencers, and press.
